

WE SAVED YOU A SEAT, OREGON.

We think Oregonians know best how to improve our public schools. So right from the start, we saved a seat at the table for anyone and everyone with ideas.

For two years, we traveled the state, listening to Oregonians. Now, we've turned your best ideas and the best research into an action plan. It supports teachers and compensates them for outstanding work. It provides more reading help.

The plan also stabilizes funding and makes it easier to see where the money goes. And more. But it's not our plan. It's yours. So read the proposals online or call **1-877-YOUR-K12**. And tell us what you think. We'll use your ideas to finalize the plan.

At Chalkboard, we believe Oregonians, working together, can make our public schools among the best in the nation. So join in. Your chair is waiting.
