THANKS FOR HELPING LEAD THE WAY TO BETTER SCHOOLS.

Great schools need great leaders. In the Legislature, Rep. Arnie Roblan and his three colleagues listed here have helped lead the way to great schools for Oregon.

For more than a year, they've helped guide the Chalkboard Project as we work to make Oregon's schools among the best in the nation. And in this year's legislative session, they've been the first line of support for key initiatives to raise student achievement and public confidence in schools, like investing in teacher mentor programs and adding more accountability for school spending.

So to all four, thanks. Your leadership is good for Oregon's schools.
